EMAIL AND REPRINT YOUR TICKETS

Now you can send your tickets to virtually anyone, up to 2 hours before the game, via Ticket Forwarding. This service allows you to email tickets to friends, family or clients when you can't attend a game. Simply log in to your personal account and select the ticket or group of tickets you wish to send, enter the recipient's information and select "Forward." It's so easy – you don't even need to have the tickets in hand. You can even reprint tickets by forwarding them to yourself. Avoid the hassles of overnight and in-person delivery and start enjoying the benefits of this free service.

HOW IT WORKS

Each of your season tickets carries a unique barcode, ensuring that they are authentic. During the forwarding process, the barcode on your original season ticket is cancelled and a new one issued electronically. The recipient is sent a new ticket via TicketFast® with a unique barcode that can be printed right away.

WHAT IS THE FEE?

The Galaxy are waiving the Ticket Forwarding fee for the 2011 Season.

POST YOUR TICKETS FOR SALE

Can't make it to a game? Now you can sell your season tickets anonymously to other fans by logging into your personal Galaxy Account. There is no fee for posting tickets and the process is secure - simply click on the tickets you wish to sell, choose the selling price and the expiration date, and submit the listing. Editing your posting at any time is quick and easy.

WHAT HAPPENS WHEN MY TICKETS ARE SOLD?

Once your posted tickets are purchased, the amount of the sale price is credited to your Galaxy Account, less the 10% seller fee. The barcodes on your sold tickets are cancelled and new barcodes are issued. The new tickets are then electronically delivered to the buyer via TicketFast® for at-home printing using any standard printer, without the hassle and delay of standard mail delivery.

WHAT HAPPENS IF MY TICKETS DON'T SELL?

You will be notified via email if your tickets do not sell before your indicated expiration date. Your listing will be automatically removed and your original tickets will still be valid for entry. If you cannot attend the game, you also have the option of emailing your tickets to a friend via Ticket Forwarding.
